

June 2023

Dear Community Supporter,

We are thrilled to announce plans for the 2nd **Annual Black Hawk Bolt 5K** to benefit North Buncombe High School. The race will take place on Saturday, November 11, 2023, at 10 a.m. and the entire course will be located on the high school campus in Weaverville, NC.

Marketing Exposure!

Through strong social media activity and a featured event page, the Black Hawk Bolt 5K will promote your company to thousands of viewers. Most sponsor levels are invited to set up a table at the race affording several hours of face-to-face promotional time with our community. This gives many opportunities for name recognition and exposure to our sponsors. Finally, every person that registers for the Black Hawk Bolt 5K receives a race t-shirt. These t-shirts, with sponsor names and logos on the back, are a walking advertisement for years to come as the runners wear them around town.

Community Support!

All race proceeds will go directly back into the school – with a special designation to the PTSO, Band and Cross Country teams as they will provide the bulk of logistical and volunteer support on race day. This funding will also help the school to acquire needed supplies and materials not funded through local or state budgets. ***We do have a 501(c)(3) designation and your donation is tax deductible.***

Free Race Registrations!

All levels of sponsorship include at least one free registration for the race. Race registrations include: race entry and event t-shirt. Come as an individual or bring a whole team. The Black Hawk Bolt 5K is a great chance to run with your friends and family, build camaraderie with your colleagues, or show off your company's dedication to our local high school!

If you would like to make an 'in-kind' donation, please contact us for more information.

Please do not hesitate to contact us with any questions regarding this great opportunity for community partnership. Go Black Hawks!

In the spirit of community,

Meredith Switzer
